

# Leading With Results.

In 2020, FLAG leased almost **3 million square feet** in **34 federal leases** and provided consulting services for an additional **2 million square feet** of federal real estate assignments.

We are thankful for our clients and for another successful year!

## ABOUT CBRE FLAG

CBRE, the world's largest commercial real estate services firm, established its Federal Lessor Advisory Group (CBRE FLAG) to provide brokerage and lease consulting services to building owners, developers, and investors for Federal Government leases. CBRE FLAG has leveraged CBRE's expansive real estate services platform and local brokerage resources to negotiate more than 1,000 government leases throughout the United States on behalf of our clients.
