Re: New Haven Moving Equipment Lease Representation

Dear Neil:

Now that the lease is signed, the build out is complete and the dust has settled, I wanted to write to you to express both my personal and our company's gratitude for your excellent work.

Throughout the entire process we received timely, professional service and as result achieved a great result. Your efforts and work went beyond the services of a typical real estate broker and we depended on your market expertise, financial analyses and lease review to ultimately secure our facility.

Our experience was so positive that I would highly recommend you to any company with a real estate need. Thanks again for all your hard work; I look forward to working with you again in the future.

Sincerely,

Brian Hall
